	observation:	location:	date:	
	observation:	location:	date:	
	observation:	location:	date:	
	observation:	location:	date:	
	How did the distress spread? Progressive Have you noticed any variations in the widths of difficulty operating doors / windows with climate (i.e. cracks / separations improve with rainfall, cracks / with rainfall, etc.)	ic or seasonal changes?	egree of	No
	If yes, please explain:			

23.	Have there been any repairs / patches to any of the interior / exterior distress?	□No
	If yes, where?	
24.	Do you feel as though the distress is concentrated in any particular area of the house?	□ No
	If yes, where?	
25.	Do you perceive any sloping floors in the residence?	□ No
	If yes, where?	
26.	Swimming Pool: (If the house does not have a swimming pool, please skip this section.) How old is the swimming pool?	□ n/a
27.	How is the pool filled? □ Automatically (timed pool equipment) □ Manually (garden hose)	
28.	Has the pool been losing water (other than normal evaporation)? □ Yes	□ No
	If yes, please describe: (i.e. plumbing leak, shell leak, etc.)	
29.	Have you noticed any recent distress to the pool or surrounding deck? □ Yes	□No
	If yes, please explain:	
30.	Have there been any previous repairs / patches to the pool or surrounding deck? □ Yes	□ No
	If yes, please explain:	
31.	Retaining Walls: (If the site does not have any retaining walls, please skip this section.) What type(s) of retaining walls are located on the site?	□ n/a
	□ Railroad Tie □ Mortared Stone □ CMU (concrete block) □ Concrete □ Other	
32.	Are the retaining walls original to the site or installed after the house was built?	
33.	Have you noticed any distress to the retaining walls? (i.e. cracks, separations, sliding, rotating, leaning, etc.)	s □ No
	If yes, please explain:	
34.	Have there been any previous repairs to the retaining walls? □ Yes	□ No
	If yes, please explain:	

<u>Plumbing Leaks:</u> (If you are not aware of any plumbing leaks at the house, please skip this section.)	□ n/a
Do you have a leak in the domestic water system (supply) or the sanitary waste system (drain lines)?	
□ Supply System (copper, galvanized, etc.) □ Waste System (PVC, cast-iron, etc.) □ Both	
How and when were the current plumbing leaks realized?	
How often are / were the applicable plumbing fixtures used?	
Have the leaks been repaired? □ Yes	□ No
If yes, when and by who?	
Prior to the recent plumbing leaks, have there been any other previous plumbing issues?	□ No
If yes, please explain:	
Have there been any issues with back-ups or blockages in the drain lines at the house? □ Yes	□ No
If yes, please explain (include frequency of back-ups, fixtures affected, and most-recent occurrence).
